Subject: WY RH Comm Strat Notifications Status

Shaun

By default I think I am the tracker of WY regional haze final rule comm strat notifications, so here is my report out.

It looks like all the notifications have been made and the final rule has been posted to the R8 web page.

Shaun and Carl call the WY DEQ (Todd Parfitt and Steve Dietrich) after the Administrator's 1/9 call to the WY Gov - call made 1/9.

Shaun call the Idaho Gov's office (Gov. Otter) to notify them of our final action and to acknowledge the Gov's letter to the Admin - call made 1/10

OCPI notify the staff of interested Congressional delegations [WY - Sens Enzi and Barrasso and Rep. Lummis; ND - Sens Hoeven and Heitkamp and Rep. Cramer; SD - Sens Johnson and Thune and Rep. Noem; Rep. Collin Peterson (Minn) Sen. Tom Harkin (Iowa) Rep. Mike Simpson (ID)] - email sent 1/10 by Whitney Trulove-Cranor and follow-up emails to answer some questions.

DOJ notify the environmental group litigants WEG and NPCA - email sent by Alan Greenburg 1/10.

Air Program will notify the federal land managers (NPS and USFS) - calls made by Gail Fallon 1/10.

Shaun and Carl call reps for PacifiCorp and Basin Electric - calls made to Mike Eggl (Basin) and Cathy Woolums (PacifiCorp) 1/10

Carl email Steve Dietrich a pdf copy of the final rule and a copy of the info sent to the Congressionals - email sent 1/10 and follow-up call.

Post pre federal register publication version of the final rule to the Region 8 web site - posted 1/10.

Carl,
I called and left a message with John Chatburn from Gov. Otter's Office.

I'm not sure who is the keeper of the Comms Plan, but wanted to check that one off the list. Can let me know where things stand with all of the roll out actions listed in the Comms Plan?

Thx,

I have revised the WY RH comm strat based on some input from Janet McCabe, Tom Powers, and Phil Lorang (OAQPS).

This will be the version we will be using starting tomorrow or Monday (depending on signature time) unless someone has need to revise something.

Let me know if you have questions, thanks.
